

AZOO EXPERT SERIES

AROWANA/CICHLASOMA/DISCUS/GOLDFISH

AZOO AROWANA AUTO RECYCLE

1. Contains selected beneficial bacteria types that effectively purifies water condition, especially in high waste fish aquariums
2. Naturally and efficiently decomposes organic materials such as ammonia, nitrate, nitrite and hydrogen sulfate, etc., in water and in the gravel substrate.
3. Regular use produces beneficial bacteria that inhibit the growth of pathogens.
4. One milliliter contains 10⁹ bacteria. .
5. Use regularly with AZOO AROWANA LIVE WATER to increase the time between water changes.

AZOO AROWANA LIVE WATER

1. Contains natural organic acids to create a suitable water environment for arowana.
2. Effectively eliminates excessive ammonia, chloramines, residual chlorine and heavy metal in tap water.
3. Rich in Vitamin B groups, to enhance the metabolism and immunity of fish.
4. Anti-bacteria ingredients restrain the growth of pathogens.
5. Replenishes consumed carbonate hardness in the water to stabilize pH values.
6. Removes oily membrane materials on the water surface, and inhibits the growth of algae.
7. Use regularly with AZOO AROWANA AUTO RECYCLE to increase the time between water changes. .

AZOO DISCUS AUTO RECYCLE

1. Selects from high-quality active cultures to purify the quality of water where providing hamburger and Tubifex worms as food for fish.
2. Naturally and efficiently decomposes organic materials such as ammonia, nitrate, nitrite and phosphates.
3. Regular apply to culture dominative bacterium and effectively inhibit the multiplication of aquatic pathogens.
4. One milliliter contains 10⁹ bacteria.
5. Use regularly with AZOO Discus Auto Recycle to increase the time between water changes.

250 ml	AZ17209
500 ml	AZ17214

AZOO DISCUS LIVE WATER

1. Contains natural organic acid, which creates a suitable water environment for discus.
2. Efficiently eliminates excessive chloramines, residual chlorine, and heavy metal in tap water.
3. Rich in Vitamin B groups, to enhance the metabolism and immunity of fish.
4. Provides trace elements that enhance the growth of aquatic plants.
5. Anti-bacteria ingredients restrain the growth of pathogens.
6. Replenishes consumed carbonate hardness in the water to stabilize pH value.
7. Removes oily membrane materials on the water surface, and inhibits the growth of algae.
8. Use regularly with AZOO Discus Live Water to increase the time between water changes.

SIZE	CODE
250 ml	AZ17210
500 ml	AZ17215

AZOO DISCUS VITAMINS

1. Contains condensed vitamins B₁, B₂, B₆, B₁₂, C, A, D, E and Glucan.
2. Promotes good metabolism and resistance to disease in fish. Also helps discus adapt to a new environment.
3. Cures illnesses caused by imbalance in nutrition or long-term feeding habits.
4. Effectively treats hole-in-the-head symptoms, darken disease, and Scoliosis.
5. Contains additives essential to good nutrition for Discus aquariums.

SIZE	CODE
250 ml	AZ17211
500 ml	AZ17216

AZOO DISCUS MAGIC TREATMENT

1. Effectively treat septicemia, rotten body, scale protrusion, bulged-eye disease, and fin rot diseases caused by bacterial pathogens.
2. Effectively treat saprolegnia and cotton-shape mycelium caused by fungal pathogens.
3. Effectively treat (Polyblennia,) plague, Ichthyophthirius disease, Chilodonella disease, and Lernaea disease caused by ectoparasites.

SIZE	CODE
250 ml	AZ17212
500 ml	AZ17217
3800 ml	AZ17223

AZOO DISCUS ANTI-ENDOPARASITES

Effectively treat Camallanus, roundworms, Cestode, Ascarid, and Hexamita caused by endoparasites.

SIZE	CODE
250 ml	AZ17213
500 ml	AZ17218
3800 ml	AZ17220

AZOO GOLDFISH AUTO RECYCLE

1. Contains selected beneficial bacteria types that effectively purify water conditions of a goldfish aquarium and a pond with huge amount of waste products.
2. Naturally and efficiently decomposes organic substances, nitrate, nitrite and poisonous hydrogen sulfide in water and gravel.
3. Add it periodically will become the excellent bacteria, which can inhibit the growth of pathogenic microorganisms.
4. One milliliter contains 10^9 active photosynthetic bacteria.

SIZE	CODE
250 ml	AZ17185

AZOO GOLDFISH LIVE WATER

1. Contains natural organism, which creates a suitable water environment for goldfish.
2. Efficiently eliminates excessive ammonia chloramines, residual chlorine, and heavy metal in tap water.
3. Rich in Vitamin B groups to enhance the metabolism and immunity of fish.
4. Anti-bacteria ingredients restrain the growth of pathogens.
5. Replenishes the consuming carbonate hardness in the water to stabilize the pH value.
6. Removes oily membrane materials on the water surface, and eliminate the growth of algae.

SIZE	CODE
250 ml	AZ17184

AZOO GOLDFISH VITAMINS

1. Contains multi-vitamins and Glucan.
2. Fish can absorb the vitamins through water by gills quickly.
3. Promotes fish a strong resistance of disease in a close system. It also can help fish to adapt a new environment and pass the critical stage.
4. Replenishes fish with full vitamins to avoid nutritional diseases.

SIZE	CODE
250 ml	AZ17183

AZOO GOLDFISH MAGIC TREATMENT

1. Works well against fish disease such as tail and fin rot, ulcer, fungus, white spot, anchor and fluke disease that happened easily in the aquariums.
2. It can be used as a preventive.
3. Causes no harm to aquarium lives if used as directed.
4. It's a breadth remedy for more than 90% pathogens.

SIZE	CODE
250 ml	AZ17186
